## **ABOUT OUR COLLEGE**

AVS Engineering College is a prominent educational institution established in the year 2008. It is located in the heart of Salem city. With more than two decades of experience, AVSEC aims to impart quality education in the fields of Engineering, Technology and Business Administration. Apart from education, the college focuses on creating Responsible Engineers in order to serve the society. It offers 8 UG courses & 8 PG courses.

Well-experienced Faculty Team, State- of- Art- Laboratories, Hi-Tech Infrastructure, Parental Guidance, Advanced Teaching- Learning Process led by Internal Quality Assurance Cell, Well-equipped Gym, Digitalized Library, Spacious classrooms and Seminar halls, Separate blocks for Boys Hostel and Girls Hostel and recognition of Sports talent pave way to AVSEC attaining good reputation in Salem District. Placement records, MOU's, Centre of Excellence, Clubs and Cells add more feathers to the cap of the college.

## **INSTITUTE VISION**

To be a premier institution committed to fostering excellence in education, research, and innovation, producing globally competent engineers who contribute to societal development.

## **INSTITUTE MISSION**

- To provide outcome and value based technical education
- To enable students to get industry ready and fulfil their career aspirations
- To facilitate innovations and nurture ethical leadership in students to gain global competencies.
- To empower students to become responsible citizens so as to create positive impact on society.

## **QUALITY POLICY**

AVS Engineering College aims at continuous pursuit of excellence through

- Quality education tapped from national and international resources, with modular approach to channelize knowledge
- Programmed evaluation of knowledge accumulated
- Producing Graduates with strong Ethical and moral background
- Continuous review and renewal of Quality System leading to Quality Output
