

S.no	Name of the capability enhancement program		Date of implementation (dd-mm-yyyy)
2022-2023			
1	Soft Skills	Adaptability and Resilience in Engineering Careers	16.03.2023
2		Effective Communication Skills for Engineers	10.02.2023
3		Leadership and Teamwork Development for Engineering Students	12.08.2022
4	Language & Communication Skills	Cross-Cultural Communication and Global Collaboration for Engineers	17.02.2023
5		Effective Presentation Skills for Engineers	19.08.2022
6	Life Skills	Leading a Meaningful Life	01.12.2022
7		Yoga For Better Life	21.06.2022
8	ICT /Computing Skills	Seminar on Artificial Machine Learning	10.04.2023
9		Workshop on Autodesk 3Ds Max Software	24.03.2023
10		Workshop on Web Designing	08.10.2022
11		Hands on Training on Photoshop	13.7.2022
2021-2022			
12	Soft Skills	Problem-Solving and Critical Thinking Skills for Engineers	21.04.2022
13		Presentation and Public Speaking Skills for Engineering Professionals	10.11.2021
14		Time Management and Productivity Strategies for Engineering Students	08.09.2021
15	Language & Communication Skills	Public Speaking for Engineers: Building Confidence on the Stage	06.04.2022
16		Business Communication for Engineers: Mastering Professional Interactions	16.09.2021
17	Life Skills	Yoga And Meditation	29.03.2022
18		Mindset Meditation - Transforming Your Life	22.09.2021
19	ICT /Computing Skills	Hands on training on Applications of Power Electronics using Mat Lab	26.05.2022
20		Seminar on Software Testing	21-08-2021
2020-2021			
21	Soft Skills	Webinar on Emotional Intelligence and Interpersonal Skills for Engineers	18.12.2020
22		Virtual Training on Stress Management and Work-Life Balance for Engineer Students	21.08.2020
23	Language & Communication Skills	Webinar on Team Collaboration and Communication in Engineering Projects	31.12.2020
24		Virtual Training on English Language Proficiency for Engineering Students: Improving Fluency and Accuracy	17.09.2020
25	Life Skills	Importance Of Vaccination	25.02.2021
26		The Art Of Meditation - Unlocking YourPotential	07.01.2021

27		Cleanliness And Personal Hygiene	20.11.2020
28	ICT /Computing Skills	Webinar on Tally and GST	31.03.2021
29		Webinar on IoT based Circuit Board Designing	11.03.2021
30		Webinar on Cyber Crime and Security	14.10.2020
2019-2020			
31	Soft Skills	Negotiation and Conflict Resolution Skills for Engineering Students	03.02.2020
32		Networking and Relationship Building for Engineering Professionals	01.08.2019
33	Language & Communication Skills	Effective Email and professional correspondence for Engineers	02.01.2020
34		Technical Writing Essentials: Enhancing Communication in Engineering Reports	15.07.2019
35	Life Skills	Yoga For Better Health & Wellbeing	09.01.2020
36		Enlighten Your Mind -The Meditation Programme	02.08.2019
37	ICT /Computing Skills	Hands on training on Web Development	01.02.2020
38		Workshop on Virtual training on IoT	23.08.2019
2018-2019			
39	Soft Skills	Creative Thinking and Innovation for Engineering Students	21.03.2019
40		Decision Making and Analytical Skills for Engineers	10.07.2018
41	Language & Communication Skills	Negotiation and Persuasion Techniques for Engineers- Influencing Stakeholders	30.01.2019
42		Effective Listening Skills for Engineering Success	27.07.2018
43	Life Skills	Get Flexible With Yoga	21.02.2019
44		Awareness About Science & Health	31.08.2018
45	ICT /Computing Skills	Seminar on Cyber Crime	11.03.2019
46		Seminar on Software Project Management	24.09.2018
47		Workshop on Accounting Software-Tally	07.07.2018
