## FIRST YEAR INAUGURATION PROGRAMME (22.08.25)

The Inauguration program commenced with a prayer song, setting a serene and auspicious tone for the occasion. Dr. J. Sundararajan, Principal, delivered the welcome address and warmly greeted the gathering.

# NEWS LETTER

This was followed by the ceremonial lighting of the lamp. Shri K. Senthil Kumar, Correspondent, officially inaugurated the event and extended his best wishes to the freshers, encouraging them to strive for success in both their academic pursuits and future careers.

The highlight of the program was the inspiring session by Dr. Parveen Sultana, a vibrant motivational speaker, who captivated the audience with her thought-provoking insights and emphasized the importance of hard work and dedication in achieving excellence.

The event concluded with the Vote of Thanks delivered by Dr. R. Viswanathan, Vice-Principal, marking the end of a memorable and motivating inaugural ceremony.

## FOUR-DAY INDUCTION PROGRAM 2025 (25.08.25 TO 29.08.25)

The Four-Day Induction Program 2025 for the Batch of 2025–2029 was organized at AVS Engineering College from 25th to 29th August 2025, providing a structured platform to welcome the freshers into their academic journey. The program was designed to orient students towards academic discipline, professional skills, and holistic personal development through motivational talks, expert lectures, and interactive sessions.

Students of CSE and AI&DS benefitted from sessions on “Employability Skills for Engineers” and “Effective Communication.” The departments of IT, ECE, and AI&ML engaged in thought-provoking sessions on “Leading a Meaningful Life” through yoga and meditation, along with expert lectures on “Become an Expert” and “Peaceful Mind.”

Similarly, students from Civil, BME, MECH, and EEE attended inspirational sessions such as “Light Towards Life” and meditation programs conducted by the Brahma Kumaris.

Throughout the four days, the students were addressed and motivated by the Principal, Vice Principal, Director–MBA, and eminent alumni entrepreneurs, who emphasized themes of career success, innovation, and leadership. The program also incorporated departmental presentations, training overviews, and informative sessions on Code of Conduct, Design Thinking, and NSS participation. Additionally, the introduction of various student clubs fostered enthusiasm for active participation in co-curricular activities.

Overall, the induction program served as both an enlightening and engaging experience, instilling confidence and a sense of purpose among the freshers as they embarked on their engineering journey

## VINAYAKAR CHATURTHI CELEBRATION 2025 (26.08.25)

We celebrated Vinayakar Chaturthi 2025 with devotion and cultural fervor, creating a serene and divine atmosphere across the campus. The celebration brought together students, faculty, and staff in a spirit of unity, prayer, and festivity. The day commenced with a traditional pooja performed with deep reverence, seeking the blessings of Lord Ganesha for wisdom, knowledge, and prosperity. Following the rituals, special offerings prepared with dedication by students and faculty were distributed, symbolizing the values of sharing, harmony, and collective participation.

The celebration not only emphasized the spiritual essence of Vinayakar Chaturthi but also reinforced the importance of eco-consciousness, cultural heritage, and togetherness within the AVS family. It was a memorable occasion that strengthened bonds and reflected the institution's commitment to preserving traditions while nurturing values of harmony and sustainability.

## ECE DEPARTMENT ASSOCIATION INAUGURATION – VUEGA 2K25

The ECE Department successfully inaugurated its association, VUEGA 2K25, on 26th August 2025 at Dennis Ritchie Hall, with over 300 students in attendance. The program was presided over by Dr. J. Sundararajan, Principal, and the gathering was welcomed by Prof. R. S. Ramya, HoD/ECE.

The Chief Guest, Dr. C. P. Subha, JGM, BSNL Salem, delivered an inspiring address highlighting the pivotal role of communication infrastructure in national development and emphasized the importance of innovation, dedication, and perseverance among students.

Prof. M. Rajesh presented the association's academic plan for the year and formally introduced the newly appointed office bearers. The event concluded with a Vote of Thanks by Ms. R. Naveenaya, motivating students to actively participate in the upcoming VUEGA activities and initiatives.

The inauguration marked the beginning of a promising year of academic, technical, and co-curricular engagements for the ECE students.

## ALUMNI TALK – ECE DEPARTMENT

The Department of Electronics and Communication Engineering organized an Alumni Talk on 29th August 2025 at Kalpana Chawla Hall. The session was presided over by Dr. R. Viswanathan, Vice-Principal, and attended by approximately 200 ECE students.

The guest speaker, Mr. G. Yogeshwaran, an alumnus of the 2018–2022 ECE batch and currently serving as Network Planning Engineer at Reliance Jio Infocomm Ltd., delivered an inspiring address to the students. He shared insights from his professional journey in the telecom industry, highlighting the importance of technical expertise, adaptability, and continuous learning.

Through his motivational guidance, Mr. Yogeshwaran encouraged students to set clear career goals, embrace challenges, and strive for excellence. The session witnessed enthusiastic interaction, with students actively engaging with the speaker and gaining valuable perspectives to shape their professional paths.
