## TEACHERS' DAY

Teachers' Day was celebrated with great enthusiasm at AVS Engineering College, honoring the dedicated faculty members who play a crucial role in shaping young minds. The celebration was presided over by the Correspondent, Shri. K. Senthil Kumar, in the esteemed presence of

Principal Dr. J. Sundararajan and Vice-Principals Dr. R. Viswanathan and Dr. D. R. Joshua. The event began in a warm and cheerful atmosphere, filled with gratitude and appreciation for the teachers' tireless efforts in imparting knowledge and values to the students. In his address, Correspondent Shri. K. Senthil Kumar extended heartfelt wishes to all faculty members, highlighting that teaching is a noble profession forming the backbone of a progressive society. He also acknowledged the unwavering commitment and contributions of the faculty toward the institution's growth and student success. The celebration concluded with a special lunch arranged for all staff members, fostering a spirit of unity, joy, and appreciation among the teaching fraternity.

## REGATTA

Regatta 25 was a spectacular day of fun, music, and celebration! The campus buzzed with excitement as students enjoyed the giant wheel, disco, columbus ride, camel rides, colorful teddy bears, and a lively appearance by donald duck. A special highlight was the Robo Dog, which entertained the crowd, and the energetic drum beats that kept the festive spirit alive throughout the day.

Shri. K. Senthil Kumar , Correspondent, made the occasion even more special by presenting cash prizes to department toppers, students celebrating their birthdays, siblings studying together, faculty members, and employees with over 10 years of service.

Lucky draws were held in every department for faculty and heads of department, and the winners were treated to a delicious feast. The venue was alive with food stalls, clothing and jewelry counters, creating a true carnival vibe.

# NEWS LETTER

The celebrations came to a grand conclusion with an electrifying DJ performance by the Atomz Beat Crew, leaving everyone dancing and smiling. It was truly a day to remember for all!

## NAVARATRI CELEBRATION

AVS Engineering College observed the auspicious festival of Navaratri with grandeur and devotion. Each department organized special poojas, dedicating the day to a specific form of the Goddess. The celebrations were marked by soulful bhajans, sincere prayers, and the distribution of prasad, creating a serene and spiritually enriching atmosphere across the campus. The active participation of students, faculty members, and the leadership, including Principal Dr. J. Sundararajan, reflected unity, reverence, and collective devotion.

Each department conducted its celebration with unique rituals and spiritual fervor:

- The Department of AI & DS paid homage to Goddess Brahmacharini, signifying knowledge and discipline.
- The Department of CSE venerated Goddess Chandraghanta, symbolizing harmony and inner strength.
- The Departments of ECE and IT dedicated their day to Goddess Mahalakshmi, invoking positivity and prosperity.

# NEWS LETTER

- The Departments of EEE and BME offered prayers to Goddess Katyayani, representing dignity and devotion.
- The Departments of MBA and MCA conducted a traditional pooja in reverence to Goddess Skandamata, seeking wisdom and compassion.
- The Departments of Mechanical and Civil Engineering concluded the festivities by worshipping Goddess Siddhidatri, spreading joy and festive cheer throughout the institution.

The week-long Navaratri celebrations fostered a spirit of togetherness, faith, and cultural harmony, further strengthening the sense of community within AVS Engineering College.

## FIRST YEAR SKILL TRAINING PROGRAM

The First Year (UG) Skill Training Program commenced on 16th September, 2025. The training included the following modules:

- Wiring
- Networking
- PLC
- AI with Python
- Robotics
- C Programming
- Electronics

# NEWS LETTER

Shri. K. Senthil Kumar, Correspondent, visited the training sessions and observed the students' performances and outcomes.

The program provides hands-on exposure to students in their respective courses and helps them acquire essential technical skills.

## MASTER CLASS ON "BEHAVIORAL SCIENCE FOR SOCIAL GOOD"

The Department of Management Studies organized a Master Class on "Behavioral Science for Social Good" on 2nd September 2025 at Dhirubhai Ambani Hall.

The session began with Tamil Thai Vazhthu and a Welcome Address by Dr. R. Nithya, Director-MBA, followed by the Presidential Address by Dr. D. R. Joshua, Vice Principal.

Mr. K. Balachandar, Founder of Beelabs, Germany, and Faculty at European Business School, Germany, spoke on the role of behavioral science in driving social change, inspiring students to explore its applications in business and society.

## DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering of AVS Engineering College organized its Association Inauguration titled "ARM 2K25" on September 4, 2025. The event was graced by Mr. M. Divyaprasanna, Team Leader, Robert Bosch, Germany, as the Chief Guest, and presided over by Dr. D. R. Joshua, Vice Principal.

# NEWS LETTER

The programme began with a Welcome Address by Prof. S. Ganesan, Head of the Department, followed by Prof. K. Radhakrishnan presenting the Action Plan and introducing the Office Bearers for the academic year 2025-2026.

In his Inaugural Address, the Chief Guest shared valuable insights into career opportunities in the German automotive industry and highlighted the importance of learning the German language to enhance global employability. The event concluded with a Vote of Thanks by Mr. L. Sasi Prakash, final-year Mechanical Engineering student. Around 200 students participated enthusiastically, gaining valuable knowledge and motivation to shape their professional futures

## CAREER GUIDANCE AND HIGHER EDUCATION CELL

The Career Guidance and Higher Education Cell, in association with the Internal Quality Assurance Cell (IQAC) of AVS Engineering College, organized a program titled "Education, Career Opportunities and Life in Germany" on September 4, 2025, at the college campus. The session aimed to enlighten students about the wide range of educational and career prospects in Germany.

# NEWS LETTER

The event commenced with a Welcome Address by Dr. R. Viswanathan, Vice Principal. The Chief Guest, Mr. M. Dhivyaprasanna, Team Leader, Robert Bosch, Germany, shared his enriching experiences and offered practical insights into the processes and requirements for higher education and employment in Germany.

The session was interactive and highly informative, inspiring students to explore international career pathways with confidence. The program was meticulously coordinated by Prof. P. Saranya, Head, Department of Information Technology, under the guidance of the Career Guidance and Higher Education Cell. The event provided an excellent platform for students to broaden their horizons, understand the global employment landscape, and recognize the value of international exposure in building successful careers.

## DEPARTMENT OF BIOMEDICAL ENGINEERING

The Department of Biomedical Engineering inaugurated its association "SCYPBE - 2K25" on 8th September 2025 at Dennis Ritchie Hall, presided over by Dr. J. Sundararajan, Principal.

Dr. S. Atheena Milagi Pandian, Founder & MD of Atheenapandian Pvt. Ltd., delivered an inspiring talk on advancements, career opportunities, and innovation in biomedical engineering.

Prof. G. Soundarya presented the association plan and introduced the office bearers.

The event, attended by 105 students, concluded with a Vote of Thanks by Mr. L. S. Radhakrishnan, marking a successful start to SCYPBE'25.

# NEWS LETTER

## MCA DEPARTMENT LAUNCHES MATRIX – 2K25

The Department of MCA inaugurated its association “MATRIX – 2K25” on 15th September 2025, with Mr. Arulraj Ponnusamy, CEO of Mescope Solutions, as Guest of Honour. He inspired over 96 participants with insights on the evolving software industry and career opportunities. The event highlighted student leadership and set a strong vision for the academic year ahead.

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

The Department of Electrical and Electronics Engineering of AVS Engineering College inaugurated its association “YUKTI – 2K25” along with a Guest Lecture on “Career Opportunities for Electrical Engineers” on 9th September 2025. The event began with a Welcome Address by Prof. S. Ravisankar, HOD, and was presided over by Dr. J. Sundararajan, Principal. Prof. N. Venkatraman presented the Association Action Plan and introduced the office bearers for 2025–2026.

# NEWS LETTER

The Chief Guest, Mr. J. Vijayakumar, Assistant Executive Engineer, TANTRANSCO, shared insights on career opportunities in government and private sectors and inspired students with his experiences in power transmission. Around 168 students participated, gaining valuable knowledge and motivation. The event concluded with a Vote of Thanks by Ms. S. Sangavi, III Year EEE Association Member.

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering inaugurated its association "SEED'C - 2K25" on 9th September 2025 at Dennis Ritchie Hall, presided over by Dr. J. Sundararajan, Principal. The event began with a Welcome Address by Dr. V. Vijaya Kumar, HOD, CSE.

The Chief Guest, Mr. Pugazhenthirajamoni, Program Delivery Director at Cognizant, Chennai, shared insights on IoT and emerging career opportunities in Computer Science, inspiring students to enhance their technical skills for global challenges.

Prof. C. Ravi, Association In-charge, presented the action plan and introduced the office bearers of SEED'C - 2K25. Over 425 students participated enthusiastically, marking a motivating start to the academic year. The event concluded with a Vote of Thanks by Ms. K. Gayathri, Student President

# NEWS LETTER

## DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

The Department of Artificial Intelligence and Data Science of AVS Engineering College inaugurated its association "CODE - 2K25" with an Expert Talk on "Future of AI in Software Careers" on 11th September 2025. The event began with a Welcome Address by Dr. K. Ambika, HOD, and was presided over by Dr. J. Sundararajan, Principal, who encouraged students to engage in research and innovation..

Mr. Pavithran Ganesan, Software Engineer at OneBill Software Pvt. Ltd., delivered an inspiring session on AI applications, industry trends, and career opportunities, guiding students on aligning their learning with evolving IT demands.

Prof. A. Anandhi presented the Association Action Plan and introduced the office bearers, while Ms. K. Anukiraga, Student President, introduced the Chief Guest.

## DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering of AVS Engineering College organized its Association Inauguration "YYUHA - 2K25" on 11th September 2025. The event began with a Welcome Address by Prof. G. Janarthanan, HOD, Civil Engineering. Dr. J. Sundararajan, Principal, presided over the function and highlighted the vital role of civil engineers in creating sustainable infrastructure. The Chief Guest was introduced by Prof. M. Vijay Anand, followed by Prof. T. Senthil Kumar, who presented the Association Action Plan and introduced the office bearers for 2025-2026.

# NEWS LETTER

Dr. A. Sangeetha, Assistant Executive Engineer, PWD Salem Region, delivered an inspiring talk on latest advancements and career opportunities in civil engineering, sharing her professional journey and

emphasizing the importance of technical expertise for nation-building. Around 94 students actively participated, gaining valuable insights and motivation. The event concluded with a Vote of Thanks by Mr. S. Rishi Ragavi, IV Year Civil Engineering Student and Association President, marking a successful start to the department's activities for the academic year.

## MBA DEPARTMENT INAUGURATES ITS ASSOCIATION "LEADERS FORUM 2K25"

The Department of Management Studies organized the inauguration of its association "Leaders Forum 2K25" on 26th September 2025 at the Dhirubhai Ambani Seminar Hall. The highlight of the event was the Guest Lecture on "Lifelong Learning and Professional Development" by Mr. Ram Chandrasekaran, Assistant General Manager - HR, JSW Steel, who inspired the students with his insights on continuous learning, adaptability, and career growth.

# NEWS LETTER
